Benefits of being a Host??

- 1 The host location receives a portion of the revenue.
- 2 By referring more advertisers, hosts can get a bonus or get free advertising on the network.
- 3 Hosts can run their own ads on their TVs including for no charge.
- 4 There is no out of pocket cost, for installation or set-up.
- 5 Local events, weather and other local deals keep your customers engaged while waiting.
- 6 You get all this, increased SEO and community networking included in our package.
- 7 For a small fee, you can provide free WiFi to your customers.

FAQ's

What does it cost?

Our equipment, installation, and maintenance are all **FREE** to the host location. An internet connection is required.

Host Responsibilities

Bizxposure requires a one year contract. Our host needs to ensure that equipment is not tampered with, damaged in any way or stolen.

*We provide all maintenance, replacement of equipment, and service at no cost.
